2. LESSON PLANS

Each unit of this phonics program can be done in two or three classes, and that will depend on how much time you have and or on your class's learning speed. For slower students, I recommend doing each unit in three classes, and two for faster.

First Class

Write the unit's letter group (for unit 1 you write: Dd, Bb, Tt, Gg, Aa, Ii, Oo) on the board at the top and practice the names and sounds of the letters.

"What is this letter?" "T"

"What is the sound?" "t" "Repeat after me. t.. t.. t."
